

3 days Entrepreneurship Awareness Camp

Organised by: Enterprise Development Institute, Kolkata

Objective of such programmes is to make the students aware about the scope of putting up business projects. To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

Sponsored by: Deptt. of Science & Technology, Govt. of India

Where it can be organised: Any Science & Engg College, Technology & Management Institute, ITI and Polytechnic College.

EDI will arrange faculty, study materials, plant visit etc. **College or Institute** will have to gather about 75 students for the 3 days programme and arrange infrastructure facilities like seminar hall with sitting arrangement, audio-visual aids etc

About 75 students are exposed to different aspects of entrepreneurship, including opportunity guidance, services offered by agencies of support system etc.
